# CHARTIFACTS

Week Commencing 8 March 2010

Issue #105

**SINGLES.** Rihanna has triumphed over Jason Derulo in the battle for this week's top spot. *Rude Boy* claims poll position after six weeks on the chart. It gives the Barbadian beauty her fourth No.1 on our chart. *Memories* by David Guetta moves into No.3 on the back of Guetta's national tour. Train's *Hey, Soul Sister* storms into the top ten for the first time, at No.7. The Black Eyed Peas with *Imma Be* have jumped forty-one places to No.30. The most interesting thing to come out of this week's singles chart is that we have a new record-holder for the most amount of weeks spent in the top 100. Lady Gaga's *Just Dance* has spent 80 weeks in the chart, breaking the previous record of 79 held by Justin Timberlake's *SexyBack*.

**No.48 STYLO – Gorillaz Feat. Mos Def & Bobby Womack.** Making their return to the chart after a near-five-year absence is cartoon mega band, Gorillaz. *Stylo* is the first single to come from the group's third album, *Plastic Beach* and features contributions from rapper Mos Def and legendary American musician Bobby Womack. The video also includes a performance by Bruce Willis. Gorillaz, a multi-media project started by Blur singer Damon Albarn and cartoonist Jamie Hewlett, have previously had chart success with singles including *Feel Good Inc.* (No.3 May '05), *Dare* (No.11 Sep. '05) and *Clint Eastwood* (No.17 Sept. '01). *Plastic Beach* is out this week.

**No.63 HALFWAY GONE - Lifehouse.** Previous chart-toppers Malibu-based, Lifehouse make their chart return with the new single, *Halfway Gone*. The track comes from the band's just-released fifth album, *Smoke & Mirrors*. *Halfway Gone* is the group's first single to hit the charts since *First Time* (No.78 Sep. '07). Lifehouse are best known for their track *Hanging By A Moment*, which topped the chart for five weeks back in mid-2001.

**No.72 RESISTANCE - Muse.** Following the success of *Uprising* (No.23 Oct. '09) and *Undisclosed Desires* (No.11 Feb. '10), Muse score their third chart entry from the album, *The Resistance* (No.1 Sep. '09). The track has already had success this year, having reached No.35 in this year's *Triple J Hottest 100*. The video for the single was filmed on the band's recent tour of Spain. Muse has just been announced as one of the headliners of this year's *Glastonbury Festival*.

**No.73 MOCKINGBIRD – Rob Thomas.** Recently in the country to tour in support of his second solo album, *Cradlesong* (No.3 Aug. '09), Rob Thomas returns to the chart with *Mockingbird*. This is the third track from the album to hit the charts after *Her Diamonds* (No.3 June '09) and *Give Me The Meltdown* (No.41 Dec. '09). Thomas' band, Matchbox Twenty, are set to reunite to record their fourth studio album sometime this year.

**No.75 3 WORDS (STEVE ANGELLO RE-PRODUCTION) – Cheryl Cole.** While the original version of this track is still riding high in the chart, this week at No.9, Cheryl Cole gets a double with *3 Words*. This remix of the track was done by Swedish DJ/producer Steve Angello. Angello first came to prominence with his 2004 remix of the Eurythmics track, *Sweet Dreams*.

**No.78 ALICE – Avril Lavigne.** The new single from Avril Lavigne is the lead single from the soundtrack to Tim Burton's *Alice In Wonderland*. It is sung from the perspective of Alice and is played over the film's closing credits. Lavigne personally approached the filmmakers to appear on the soundtrack. The video for the track features clips from the film. Lavigne has topped the chart with *Complicated* (No.1 Sep. '02) and *Girlfriend* (No.1 May '07).

**No.87 WHATAYA WANT FROM ME – Adam Lambert.** This is the first appearance in the chart by 2009 American Idol runner-up Adam Lambert. The track was originally recorded and co-written by P!nk for the album *Funhouse* but didn't make the final cut. Lambert is currently in the country on a promotional tour to plug his debut album, *For Your Entertainment*.

**No.100 WHY DON'T YOU - Gramophonedzie.** Just scrapping into the chart this week is Serbian DJ/producer Gramophonedzie. Gramophonedzie, also known as Marko Milicevic, has been a DJ since he was fifteen years old and has produced music for film, TV and advertisements. *Why Don't You* takes samples from a Peggy Lee track called *Why Don't You Do Right*. The track was written in 1936 and Lee's version was recorded in 1942. The track also featured in the classic 1988 film *Who Framed Roger Rabbit*, where it was performed by the sultry Jessica Rabbit.

**ALBUMS.** After four weeks on the chart, k.d. lang has reached No.1 with *Recollection*. It's the first time lang has hit the top of the ARIA albums chart. Having spent the previous three weeks on top, Mumford & Sons move back a spot to No.2. On the back of tours, both David Guetta and George Michael have had big surges. French DJ/producer Guetta is back up to No.7 this week with *One Love*. He is currently in the country for the *Future Music Festival*. Michael, who has left Australian audiences in raptures, is up to No.9 with *Twenty Five*, while previous hits collection, *Ladies & Gentlemen*, re-enters the chart at No.21. The soundtrack to Michael Jackson's *This Is It* has moved up sixteen places to No.40 on the back of the film's DVD release.

**No.20 GOOD GRACIOUS – M-Phazes.** This is the debut album from acclaimed Melbourne hip hop producer M-Phazes. For *Good Gracious*, M-Phazes has called on the help of some big name guests including Phrase, Muph & Plutonic and Drapht. Bliss N Eso's appearance on the album is their only outing until the release of their next album. For his next projects, M-Phazes already has collaborations lined up with singer-songwriters Bertie Blackman and Kimbra.

**No.38 SAVE ME, SAN FRANCISCO - Train.** The new album from American rock band Train returns them to the ARIA album chart for the first time since 2003. *Save Me, San Francisco* is the group's fifth studio album and their first since returning from a three year hiatus. The album includes the track *Hey, Soul Sister* (No.7 Mar. '10); a previous No.1 in the US.

**No.79 THE FAMILY JEWELS – Marina & The Diamonds.** Welsh-born songstress Marina Diamandis achieves her debut on the ARIA charts with this, her debut album. Diamandis first started composing early demos on her home computer. Before getting a recording deal, she sold copies of her debut EP, with hand-made covers, via her Myspace page. She was discovered by her eventual label while supporting Aussie singer Gotye in 2008. A hotly-tipped act for 2010, Marina & The Diamonds came second in the BBC's Sound Of 2010 poll.

#1 Single this week
